Massive Praise for Massive Testimonies 115

“I can hear the sound of abundance of rain; get ready to harvest massively this season. Your angels will be mobilized for your massive manifestations. There will be massive miracles, massive testimonies and massive impacts. It’s your massive season. Watch out for your net-breaking harvest this season. You will be massively surprised and you will massively surprise others.”

- Pastor Kay, October 26 2011, 16:50 GMT

PREFACE

It was late October 2011 when God began to stir up my heart concerning the very near future. Earlier in the year, I had received a word for the ministry that 2012 will be our year of Much Fruit. Excited at God's intents, I had announced this to our congregation and concluded that the theme of our 2011 annual convention would be "Much Fruit." The news was welcomed by the members of the ministry all over the world as we anticipated a much fruitful 2012.

Then God stepped in again.

This time around late October, God seemed to have come to expand and explode our thoughts on Much Fruits by introducing the adjective "Massive." In the prophecy which God used to birth this revelation, that word rang all through. It's all massive: the harvest, the miracles, manifestations, impacts, testimonies. It is a massive season.

POSITIONING FOR MASSIVE MANIFESTATIONS

God was saying, “Don’t expect some common increase as much fruits, don’t settle for some cheap goals where 2012 and beyond is concerned. Rather, expect sheer greatness and breakthrough and the word that will define it is *massive*.”

Almost every day since then till the time of writing, God has been dealing with me about His great intent for this season. A flood of revelations that fill this book, and will overflow into some other volumes on this topic later on, has come my way so much that I know without a doubt that unprecedented breakthroughs lie just ahead by the hand and power of God.

Is this prophecy just for a selected few? Is it just for a time, and when will that time elapse? What are the relevant scriptures for this prophecy? These questions arose, but as I meditated on this message of massive manifestations, I got amazing answers. God tied everything to His person, His love for man, and His plan and purpose in this end time.

“Massive” is like God. Everything that has God’s signature tends to be great because He is a great and powerful being.

Preface

At creation, everything was exceptionally massive and impressive (that captures the phrase “very good” in Genesis 1:31). The study of nature till today is still mind-blowing. The more discoveries are being made, the more astounding are the facts that surround the elements that make up the universe by this massive thinking God.

This thought pattern could not be different where God’s chief creation, man, is concerned. God’s love for humanity made Him create a massive universe for him and offer a massive sacrifice of His son (Jesus) for him. These acts of love must be because, God ultimately has a massive destiny for every man. This can be proven from the Word of God. It is quite evident through different accounts of manifestations in the lives of many Bible characters that God doesn’t do low scale; He does big deals. Every time God appeared to a man in the Bible, the vision He gave was usually far greater and bigger than what the person could handle all by himself. Why? He is not a small God; He is the Big One, and He is never ashamed to show Himself massively in the lives of His chosen ones.

This acceptance leads to an open field of God’s will for this end time and edges us into the fulfilment of

POSITIONING FOR MASSIVE MANIFESTATIONS

prophecies. In these last days, like never before, God wants to showcase His glory!

He wants to cause untold amazement that will daze and baffle the minds of all men. The truth is that the earth is made for God's glory. Men fell short of that glory when Adam sinned in the beginning. Thank God that Jesus came to the earth to restore that glory by His death and resurrection! The glory now can be manifested by everyone in Christ.

And it will manifest! In these last days, the whole universe will experience massive expressions of God's glory such that there will be a massive harvest of souls and it will bring about the massive appearing and second coming of Jesus Christ.

That word "massive" is ringing again! And God is using it to pass across a message. It's time for the prophecies of the glorious last days. It's time for the mountain of the house of God to be exalted above all mountains. It's time, like never before, for old men to have dreams, and young men to receive visions. It's time for the glory of the latter house to surpass the former. In a nutshell, it's time for massive!

Preface

Whatever has happened in terms of glory from the Garden of Eden till now in the lives of saints of old must become child's play compared to what is happening in our days.

In the midst of turmoil, lack, confusion and epidemics of this world, all prophesied about as well, there is meant to be an avalanche of manifestation of God's goodness that will overshadow the manifestations of evil around. In these last days, the prophecies that depict the glory must outshine the ones that depict doom.

What a generation we are! What a time to live in! Without mincing words, what a glorious future ahead until the coming of our Lord Jesus! I believe that is what the Lord is conveying to us with this prophetic message of "Massive." 2012 will be such a year that people of God (that will believe in this prophecy) will harvest much fruits in their God-given assignments that their barns will not be able to contain. There will be supernatural promotions; breakthroughs and wealth transfer that will make the world to wonder. There will be massive manifestations everywhere.

Who else is qualified to express and experience such wild increase except believers – you and I? Why?

POSITIONING FOR MASSIVE MANIFESTATIONS

We are a massive set of people. Everything about our being is extraordinary.

It was a massive price (the blood of Jesus) that was paid for our redemption. It was a massive victory that saw the principalities and powers made an open show of shame that led to our freedom from Satan. It is the massive name of Jesus that we call upon; it is the name by which we are saved and to which everything in heaven, earth and hell bows to. We are a massive people of a massive covenant with a massive God. We are a massive bunch meant to produce massive fruits.

Don't take this as a mere rhyme. I am actually driving at something indicative of God's glorious intention for this end time. Rather, position yourself for this move of God, and you will be part of it, experiencing God's goodness like never before and making great impact to fulfil destiny. It doesn't matter what news of evil you hear on a daily basis, it doesn't matter the depression and regression that have hit the world, it doesn't matter the calamity befallen people all over, if you are in Christ, it's your time to shine.

INTRODUCTION

The dictionary definition for massive is largeness in scale or degree, heaviness, bulky, or imposing influence. It speaks of something solid and substantial, something the eyes will always marvel about because of its magnificent nature and posture. The word is usually used to describe how great, grand and far-reaching the effect of something is—good or bad.

What an adjective, particularly when it qualifies the goodness, kindness and favor of God available for believers these days. What God is quickening by this word of massive is a flood of encounters, happenings and manifestations on behalf of His children that will show the world how big and powerful He is. Call it “Great outpouring of the Spirit” or “Manifestations of the sons of God” or “Encounters of the God-kind! If all these are anything to go by, the earth is in for a deluge of glory.

And that is what this is all about—the glory.

The prophecy depicting a wave of *massive* is not in any way out of context. In the Old and the New Testament, the words translated *glory* carry such big meaning. *Kabod*, the Hebrew word translated glory in the Old Testament, means weight or heaviness in good things such as splendor, honor, wealth, etc. In the New Testament, the word glory *Doxa* means dignity, honor, praise or worship that is very apparent. Put the two together, and you can clearly see the massive manifestation God is talking about.

God's glory is massive in nature. And several portions of scripture show us that the glory will be greatly evident in these last days. This generation is in for a great move of God. Heaven is about to unleash power on earthly affairs in such a way that God will be glorified even in strange places and His object of glory will be His children—you and I. If you are in Christ and can maximize this season, it literally means your family, career, business, marriage and every other aspect of your life will reflect the glory—splendor, honor, dignity, praise—of God to people's amazement. There is going to be a supernatural upgrade to your life that will continually raise your status.

Introduction

My hope is that you are receiving this. It is very important for you to receive this by faith in order to experience the manifestations of this prophecy. It needs to be received and believed. You need to wage a good warfare with this prophecy of “massive” by affirming it over and over. You need to declare that you will shine in this season.

This will come without struggle. You have in your hands a guide for the season. It will lead you into God’s massive manifestations by showing you how to position yourself for your share. This book, inspiring to the core, draws lessons from the stories of Bible characters that experienced massive manifestations and juices out massive actions necessary to reproduce such glory. You are in for an encounter!

Everything is set for your great increase. Massive manifestations of God’s glory are yours! As the main prophecy declares, in all sincerity and plainness, you will be massively surprised!

CHAPTER 1

Massive Identity for Massive Dominion

“Don’t allow the traditions of the season to distract you from the revelation of Jesus’ death and resurrection. He died for your sins and was raised for your elevation. He was raised to erase your weaknesses, effect your kingdom naturalization through His life (Zoe) and supernaturally raise your level in life. Your days of being crippled in life are over. He is risen.”

- Pastor Kay, April 10, 2012, 1:15pm GMT

The Christian journey on earth is meant to be one of triumph. Why? Jesus has purchased for us an eternal victory over Satan our enemy. We are no longer under the dominion of hell. Rather, we are meant to dominate the evil forces by the authority Jesus has given to us. By the indwelling of the Holy Spirit, we are meant to experience “heaven on earth” because the Holy Spirit has been given as a down payment for our full redemption—spirit, soul and body.

However, life hasn’t been so victorious for a lot of Christians. Massive manifestations of God’s goodness that are meant to be their regular experiences have become elusive so much that they have lost touch with the reality of God’s grace and favor. Some have plunged in their experiences, into the “abyss.” There are children of God literally living a life of hell on earth!

First of all, the problem is that of identity. For your God-given authority and dominion to be realized here on earth, leading to massive experiences and manifestations in your favor, you must be rooted in your identity as a child of God. You must stop being a Christian by title and become one by revelation.

You must know who you are and what you have. The reality of God and His nature in you must dawn on you so much that you are in charge of situations. It is such massive identity that brings massive dominion!

No wonder the devil is always after the identity of believers. He is always out to attack it. In the Garden of Eden, where Adam and Eve were having a time of their lives dominating and ruling the earth, the devil came to tempt them. He did not come only to tempt them to eat the forbidden fruit, but also to cheat them out of their identity. He came to make them disobey God, telling them they would become what they already were.

⁴Then the serpent said to the woman, "You will not surely die.

⁵For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

Genesis 3:4-5

What a lie! Contrary to the enemy's twisted logic, Adam and Eve were already like God. Remember, they were made in the image and likeness of God in the beginning.

The enemy only came to cheat them out of their identity and their dominion. Four thousand years later, he tried to do the same with Jesus when he walked the earth. This time, he failed.

Now when the tempter came to Him, he said, “If You are the Son of God, command that these stones become bread.”

Matthew 4:3

Unlike Adam and Eve, Jesus knew who He was. He was established in His identity as the son of God, so He didn't bulge to do the devil's bidding. He didn't have to prove He was the son of God by doing something. He was already of God. By not giving in to Satan's deceit, Jesus remained in control throughout His earthly walk and produced massive manifestations in His ministry with earth shaking results. Adam and Eve could not manifest such after they failed the test of identity.

Paul's Massive Identity

“That's Jesus,” someone may say. He is God. Well, the Bible records several men like you and I that achieved great results in their lifetime by holding on to

their God-given identity. The Apostle Paul was such a person. As he (formerly Saul) was on his way to Damascus, where he was going to stop the Christians from preaching the good news of Jesus (The Anointed One), he had an encounter that changed his life.

In that massive encounter, his whole life completely turned around. He began to live for the gospel of Christ with the same passion that he once used to fight against it. He championed the course of the gospel in the land of the Gentiles, planting churches and writing most of the New Testament epistles we know today. He achieved massively for the kingdom, perhaps more than all other apostles.

⁹For I am the least of the apostles, who am not worthy to be called an apostle, because I persecuted the church of God. ¹⁰But by the grace of God I am what I am, and His grace toward me was not in vain; but I labored more abundantly than they all, yet not I, but the grace of God which was with me.

1 Corinthians 15:9-10

The secret to Paul's massive results cannot be divorced from the reality of that encounter on his way to Damascus.

By that supernatural experience, he turned his life over to God, getting born again as a result. Lighted from within, he went on a personal journey of self-discovery in God.

And he came out with a flood of revelations about his new identity.

I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself for me.

Galatians 2:20

Christ was the core of his new identity. And his mind was thoroughly renewed to his new personality in Christ. He could not be moved by situations and circumstances. His massive destiny could not be stopped by threats of men in authority, a raging sea storm, whip lashes and prison bonds, a snake bite or even attacks of religious beliefs in the churches from the enemy—all in his bid to stop the preaching of the gospel. Rather, he overcame them all. What dominion!

What happened to Paul on his way to Damascus happened to you when you got born again.

Yours might not have been accomplished by such a spectacular manifestation as Jesus appearing to you, but it was as much supernatural. You became born again, the old evil nature in you was taken out completely and the new nature of God was put in you. You became a new person recreated in Christ Jesus. Your gene changed. You now have the supernatural DNA of God.

Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new.

2 Corinthians 5:17

Identify with the New You

The problem is that a lot of Christians live like nothing happened at salvation. They act as if there is no God in them. And because they have refused to identify with their new nature, living consciously by it, they fall flat in the face of common challenges when they ought to dominate them. Because they don't realize who they are and what they have in Christ, they are overcome by things that they naturally ought to overcome.

You are of God, little children, and have overcome them, because He who is in you is greater than he who is in the world.

1 John 4:4

This season, for you not to be limited by challenges or tossed to and fro by every wind of doctrine, you must be established in your identity. To live right and have right results to show for it and walk in your massive manifestations, like Apostle Paul did, you must be grounded in the knowledge of who you are in Christ.

It starts with meditation. Ponder on New Testament scriptures that talk about the reality of the New Creation e.g. those scriptures with the phrases “in him,” “in whom,” “in Christ” etc. Meditate on them until they become your revelation. With this you are armed for destiny.

Here are some examples:

So that as sin reigned in death, even so grace might reign through righteousness to eternal life through Jesus Christ our Lord.

Romans 5:21

There is therefore now no condemnation to those who are in Christ Jesus, who do not walk according to the flesh, but according to the Spirit.

Romans 8:1

And raised us up together, and made us sit together in the heavenly places in Christ Jesus

Ephesians: 2:6

I can do all things through Christ who strengthens me.

Philippians 4:13

He has delivered us from the power of darkness and conveyed us into the kingdom of the Son of His love,

Colossians 1:13

For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.

Ephesians 2:10

For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich.

2 Corinthians 8:9

Therefore we were buried with Him through baptism into death, that just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life.

Romans 6:4

Christ has redeemed us from the curse of the law, having become a curse for us (for it is written, “Cursed is everyone who hangs on a tree”), ¹⁴that the blessing of Abraham might come upon the Gentiles in Christ Jesus, that we might receive the promise of the Spirit through faith.

Galatians 3:13-14

Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ.

Ephesians 1:3

Affirm this new nature of yours. At every opportunity and point in time, at every crossroad of life, let these scriptures come out of your mouth. Declare it without any fear or inhibition. This is who you are, so be free to declare it. Spare no one your identity. Freely let people know who you are.

Let everyone that cares to listen know that you are of God, for God and in God. Tell them that God is in you and for you. If need be, shout it from the rooftop.

By declaring your identity this way, you are establishing your dominion over situations and authority. You are building a consciousness of the massive God and His massive power in you, and you are releasing that power. The more you do this, the greater the massive manifestations you will see in your life. The more you identify with your new life, the more you will walk in the newness of life. The more you declare you are God's workmanship in Christ, the more beauty will come out of your life, the more you affirm God's ability inside, the more that power is expressed. The more you declare you are blessed, the more you manifest the blessing. Irrespective of circumstances, declare your identity.

This season you must manifest, massively! I declare as you commit yourself to affirming your kingdom status in spite of challenges, you will see results of God's order in your life. In His name, you will start producing by your nature and according to your DNA.

You will walk in faith, love and complete dominion. God will perform His Word in your life and people around you will see His mighty hand working for you. They will tremble at your glory —your massive dominion by massive identity!

Massive Actions

- Be established in your new identity by affirming freely the New Testament scriptures that talk about who and what you are in Christ.
- Hold on to your identity in the face of challenges by elevating who you are far more than what the situation is.
- Learn how to use “it is written” whenever the devil comes subtly to attack your identity.

CHAPTER 2

Massive Empowerment for Massive Increase

“There is a Massive Rest that affects the total man. This rest has its origin in the spirit realm. It flows out of your spirit by the empowerment of the Holy Spirit to impart your soul and body. There is no vacation spot in the entire world that can offer this quality of rest and peace. I declare an end to all the toil, struggle and hustle in your life by the flow of God’s Massive Rest. In this season, the Lord shall give you a Massive Rest all around.”

- Pastor Kay, January 18, 2012, 2:45pm GMT

An essential part of your identity in Christ is the reality that you are blessed. Relevant scriptures like Galatians 3:13-14, and Ephesians 1:3 are evidences that the blessing is available in you. What is necessary now is to take a closer look at the word “blessing” and see its full meaning and intents. The unfolding truth on this all-important subject of the blessing is massive, to say the least.

The blessing literally means an empowerment to prosper, succeed and excel. To break this further down for clearer understanding, it is God’s supernatural ability working in a person’s life that makes things to work in his favor. A person under the influence of the blessing cannot be grounded in life. If you take him to the most unbearable environment, he will yet succeed. In the midst of challenges and tribulations, this tangible empowerment of the blessing will produce massive manifestations that will totally transform the situation in magnitude and speed. At the end, as a result of the massive empowerment, there is massive increase.

The blessing of the Lord makes one rich, And He adds no sorrow with it.

Proverbs 10:22

This is true increase. It goes to show that, for the believer, the blessing is everything! The people of the world may be looking to their natural strength, means or connection, but you and I must find our source in the blessing. By their own scheming, they may even go after demonic powers (fake empowerment) resulting in their later destruction. As believers, we must be intentional about the manifestation of the blessing in us in order to fulfill destiny. This is just the wise thing to do!

So many Christians are not experiencing the fullness of the blessing, even though they have the massive empowerment within them. Many believers still have the mind-set of the world, being bothered about their their material possessions. They allow what they see physically to define their state and level. What a compromise! Walking in the blessing has little or nothing to do with your present level, position or predicament; it has all to do with you co-operating with God's massive empowerment at your disposal to cause desired changes. No matter where you are right now, high or low, if you will activate and apply the blessing, you will experience increase!

Isaac, The Blessed Child

Let us examine the story of Isaac, Abraham's son. Isaac realized he was a child of the blessing. Not only did it take the blessing for him to be brought to life, he came to understand that it would take the same blessing for him to succeed in it. And he fully embraced this empowerment. At a time of famine, he received an empowered instruction that shielded him from the limitation of his time. Blessed Isaac sowed in the land in the same year of famine and there was unprecedented increase.

Then Isaac sowed in that land, and reaped in the same year a hundredfold; and the Lord blessed him. ¹³The man began to prosper, and continued prospering until he became very prosperous.

Genesis 26:12-13

Can you take this in? This man was all by himself, but he had the blessing. He sojourned in a foreign country with several competitors at an unfavorable period of famine. Yet, he made a fortune out of his endeavors when others could hardly make a living, thereby becoming the envy of all. They envied him so much that they began to come against him by

blocking the wells he dug. But the more they blocked the wells, the more the blessing was working for him until they realized they could no longer contend with the blessing. How could they? Unknown to them, their opposition all the while was working in Isaac's favor.

¹⁴For he had possessions of flocks and possessions of herds and a great number of servants. So the Philistines envied him. ¹⁵Now the Philistines had stopped up all the wells which his father's servants had dug in the days of Abraham his father, and they had filled them with earth. ¹⁶And Abimelech said to Isaac, "Go away from us, for you are much mightier than we." ¹⁷Then Isaac departed from there and pitched his tent in the Valley of Gerar, and dwelt there. ¹⁸And Isaac dug again the wells of water which they had dug in the days of Abraham his father, for the Philistines had stopped them up after the death of Abraham. He called them by the names which his father had called them. ¹⁹Also Isaac's servants dug in the valley, and found a well of running water there. ²⁰But the herdsmen of Gerar quarreled with Isaac's herdsmen, saying, "The water is ours." So he called the name of the well Esek, because they quarreled with him. ²¹Then they dug another well, and they quarreled over that one also. So he called its name Sitnah.

22 And he moved from there and dug another well, and they did not quarrel over it. So he called its name Rehoboth, because he said, “For now the Lord has made room for us, and we shall be fruitful in the land.”

Genesis 26:14-22

What an increase! From a common settler in the land, just like any other person, Isaac became the most prominent person in the community with wealth to show for it—in one year. It didn’t happen by mere natural scheming; it all happened by the blessing. By divine wisdom and orchestration of events, Isaac experienced massive manifestations of rare increase.

The blessing is not just for Isaac. In Christ Jesus, you and I have also become Abraham’s children and heirs according to the promise. Just like the patriarchs, you also can put a blessing tag by your name. The same way there was blessed Abraham and Isaac, there is blessed you. The first and major way you co-operate with the blessing so it can manifest your increase is to acknowledge you are blessed.

Let the redeemed of the Lord say so, whom He has redeemed from the hand of the enemy.

Psalms 107:2

According to the third chapter of Paul's epistle to the Galatians, you have been redeemed from the curse into the blessing. However, you need to acknowledge and declare it to unlock its power. That way, you are pressing into the kingdom. That way you are laying hold on your increase. That way, you are positioning yourself for your massive manifestations. This season, if you will initiate the process of transformation by the declaration of your blessing no matter the predicament, it will begin to happen!

Instead of being troubled, be joyous. Instead of being dragged into the mud of sin, hold on to holiness and good works. Instead of associating with people that treat the blessing lightly, associate with people that are mindful of it and are experiencing it. Instead of holding back your seeds, make the vital exchange for manifesting the blessing by honoring, serving and giving. Instead of trusting in your natural qualification or bank account(s), trust firmly in the blessing. Instead of sitting on the fence where the kingdom of God is concerned, go all out for the expansion of the kingdom. For further insights on the blessing and how it works, you can read my book, *The Empowered Life*.

POSITIONING FOR MASSIVE MANIFESTATIONS

Like Isaac, you are blessed. The world may term it charm or luck but you know what it is and what it represents. It is the blessing! It means the divine empowerment to prosper. It means things are working massively where you are concerned. It means life is not hard for you. You are experiencing increase upon increase that will make men envious of you. And if they ever contend with you (like they did with Isaac) by trying to edge you in because of your results, it will only cause you to have greater results. Every opposition against you will only set you up for more increase. By the blessing, you are irresistible, irrepressible and unstoppable!

These are the days of the blessing. In this season of massive manifestations, I declare that you will be distinguished. Your results will go to a whole new level and dimension. Like Isaac, you will increase exceedingly, waxing strong and moving forward until you are massively abundant. By the blessing, God will bring you to your Rehoboth, where you will have enough room to be massively fruitful and productive. This prophetic season will be for you an era that you will reap hundred-fold results by empowerment of the blessing. There will be massive increase by massive empowerment, in Jesus name!

Massive Actions

- Get the Word (Rhema) or instruction for the massive manifestation of the blessing in this season. No matter how significant or insignificant it is, act on it.
- Carry out the dictates of the blessing to position yourself in such a way that the blessing works for you.
- Factor in the blessing at all times. Talk, think, expect and manifest the blessing.

CHAPTER 3

Massive Hope for Massive Destiny

“Vision has its origin in God; it is cooked in the spirit and painted on the mind. It is a clear mental picture of your purpose that forms a bridge between your present phase and your much bigger future. You will see massively to experience the Massive in this season. The veils are down.”

- Pastor Kay, February 2, 2012, 1:46pm GMT

This prophecy of massive manifestations should get you lit up from within as you ponder on it. Begin to see that the future is as bright as ever. There will be fresh vigor and energy to forge ahead because you have seen light at the end of the tunnel. No matter what life has dealt to you, this message will definitely make one word to be part of your vocabulary. That word is *hope*.

Hope, as the Bible refers to it, is an earnest expectation or longing. It is to stretch out your neck expecting something good that has been promised. This is necessary for massive manifestation because it is an integral part of the process of faith. Faith feeds on the blueprint of hope to bring the desired manifestation into the seen realm. It takes such supernatural hope to win in life.

However, this is not just mere hope without a basis. This is not some daydreaming that borders on plain fantasy. To experience massive manifestations, you must have supernatural hope based on the Word of God. Remember, this message of massive manifestations is strongly connected to the end-time glory of the saints prophesied in several portions of Scripture.

It is tightly connected to God's intents for the destiny of destiny for every believer in this age.

*²Now it shall come to pass in the latter days
That the mountain of the Lord's house
Shall be established on the top of the mountains,
And shall be exalted above the hills;
And all nations shall flow to it.*

*³Many people shall come and say,
"Come, and let us go up to the mountain of the Lord,
To the house of the God of Jacob;
He will teach us His ways,
And we shall walk in His paths."
For out of Zion shall go forth the law,
And the word of the Lord from Jerusalem.*

Isaiah 2:2-3

*"And it shall come to pass afterward
That I will pour out My Spirit on all flesh;
Your sons and your daughters shall prophesy,
Your old men shall dream dreams,
Your young men shall see visions.*

*²⁹And also on My menservants and on My maidservants
I will pour out My Spirit in those days.*

*³⁰"And I will show wonders in the heavens and in the
earth: Blood and fire and pillars of smoke.*

Joel 2: 28-30

6“For thus says the Lord of hosts: ‘Once more (it is a little while) I will shake heaven and earth, the sea and dry land; 7and I will shake all nations, and they shall come to the Desire of All Nations, and I will fill this temple with glory,’ says the Lord of hosts. 8‘The silver is Mine, and the gold is Mine,’ says the Lord of hosts. 9‘The glory of this latter temple shall be greater than the former,’ says the Lord of hosts. ‘And in this place I will give peace,’ says the Lord of hosts.”

Haggai 2:6-9

According to these massive scriptures, what is at stake where destiny is concerned is so high that any man who walks in his own God-ordained destiny in this end-time will command the attention of men and nations. That is why God has not left the fulfilment of His promises to chance. Every promise of the Bible is ratified and established in the covenant so that your hope and longing for their manifestations can be substantiated. You don't have some wishy-washy optimism that can't stand its ground. Rather, you have a solid assurance that nothing can withstand. By the covenant, you have a massive hope for a massive destiny. God has sworn by Jesus' blood to assure your soul that His promises will become a reality.

From Abram to Abraham

When God chose to single out Abraham in his generation, He started dealing with him by giving him specific instructions with promises attached to the obedience of those instructions. At first, Abraham had challenges trusting God. At this time his name was Abram, meaning exalted father. However, it was difficult for Abram to conceive an image of a son because it seemed naturally impossible since he and his wife were already quite advanced in age.

However, God was working at something. He continued making those promises to Abram. The more the promises came, the larger they got in this man's mind. From just asking for a child, Abram began to catch a glimpse of God's intents to make him have children as numerous as the stars of the sky and the sands of the shore. These pictures of hope engraved in his mind by God helped him navigate away from natural hope (which was as good as dead) to supernatural hope and accept his new name Abraham, meaning father of many nations.

...who, contrary to hope, in hope believed, so that he became the father of many nations, according to what was spoken, "So shall your descendants be."

Romans 4:18

The story of Abraham's standing on God's promises (despite huge contrary evidences) would not be complete without the introduction of the act of the covenant. God had to substantiate His promises with an oath. This oath equipped Abraham with the ability to stay firm on his new supernatural hope and leave the natural dead hope completely behind. Abraham did not to waver or consider his "body now dead."

¹³For when God made a promise to Abraham, because He could swear by no one greater, He swore by Himself, ¹⁴saying, "Surely blessing I will bless you, and multiplying I will multiply you." ¹⁵And so, after he had patiently endured, he obtained the promise. ¹⁶For men indeed swear by the greater, and an oath for confirmation is for them an end of all dispute. ¹⁷Thus God, determining to show more abundantly to the heirs of promise the immutability of His counsel, confirmed it by an oath.

Hebrew 6:13-17

No wonder Abraham was able to develop strong faith. The Bible states he “believed in hope against hope.” God cut a covenant with him swearing by His name that He would fulfill the promises to him. Knowing that the covenant entails an agreement between two parties that cannot be cancelled except by death, he knew that none of the parties involved in a covenant can afford to walk away from it. Based on these, He was confident in God. He came to a point of uncommon faith. He simply believed the fulfillment of the promises.

¹⁸That by two immutable things, in which it is impossible for God to lie, we might have strong consolation, who have fled for refuge to lay hold of the hope set before us. ¹⁹This hope we have as an anchor of the soul, both sure and steadfast, and which enters the Presence behind the veil, ²⁰where the forerunner has entered for us, even Jesus, having become High Priest forever according to the order of Melchizedek.

Hebrews 6:18-20

The covenant is the source of the believer’s supernatural hope in God’s promises. Like Abraham, you must learn how to factor it in to realize your destiny.

The covenant is what ignites massive hope and what keeps it aflame. The reality in the covenant that God cannot lie makes your destiny not only possible or probable, but definite.

Now faith is the substance of things hoped for, the evidence of things not seen.

Hebrews 11:1

Faith is dealt with in a later chapter as one of the prerequisites of massive manifestations but hope needs to be stressed here. Why? The level of your hope will determine the level of your faith. Your faith draws on your expectations. For you to have massive manifestations, you must be convinced of your massive covenant. Faith works with the hope developed from the covenant God made with man. This brings about massive manifestations.

Have a Vision for Your Life

This is why vision is so important to destiny fulfillment. A God-given vision usually comes with an image or picture of hope of a great future and destiny. Once you catch one, life takes a new turn as you find courage to move along with that expectation.

When there are challenges along the way, you only need to remind yourself of the vision and the assurance that backs it up. Once that assurance is in the covenant, then destiny can always be in view. In the covenant, there is massive power to realize massive dreams.

Like Abram, you may not be where you ought to be regarding your destiny. It may seem like you have missed your opportunity to succeed. However, you don't need to despair if you are indeed a covenant child of God. All you need is a word from God to secure your future. Go into your covenant book (the Bible) and capture a revelation of God's promise. This is how you generate a supernatural hope and ultimately win the battle of faith.

Covenant hope is the antidote to despair and misery. God set up the covenant so that men can realize that He is committed to His promises. You have no reason for not fulfilling your destiny. If Abraham could become the father of many nations, then your destiny is not too far away from being accomplished no matter where you are. By two immutable things—the promise and the oath—every destiny can be realized.

And yours will be realized in this season. As you encounter God in the written Word, as He imprints a fresh vision in your heart, and as you engage in the covenant as your anchor, you will see yourself rising from nowhere to a place of recognition. No more despair in Jesus' name. No more drawing back. Your expectations of God's promises backed by oath will not be cut short. In this prophetic season, you will walk into your massive destiny by massive covenant hope.

Massive Actions

- Maintain an attitude and atmosphere of reverence, worship and consecration in order to catch a vision from God that will paint a massive hope for the future.
- Get acquainted with God's covenant promises for the different aspects of your life.
- Fire up your hope by partaking of the Lord's Table (Communion Meal) especially when your mind is in doubt regarding God's promises.

CHAPTER 4

Massive Mind for Massive Doors

“An undeveloped capacity will end up frustrating your prophecy of massive. Shouting “massive” is not enough. You must develop a massive mind. God is always willing to release massive manifestations, but do you have enough capacity to take them? Remember, the flow of oil ceased when the widow ran out of vessels (2 Kings 4:6). Don’t limit your massive. Be responsible.”

- **Pastor Kay**, February 12, 2012, 8:54pm GMT

How God wants us to have experiences of glory this season! More than we want or desire, He wants massive manifestations of His power to be seen in all spheres of existence in all parts of the world. He wants us to see this big picture with Him, and not be bogged down by a present need or problem. You may be facing a challenge now but your massive deliverance out of that problem will happen if you can see beyond your present predicament.

Destiny is a journey. No man's destiny happens all at once. All along the journey, there are massive manifestations that are meant to take place that will propel one forward towards the finish line of destiny fulfillment. The manifestations present themselves as opportunities or doors and you must be positioned and prepared for them in order to maximize the moment. Otherwise, there will be lack of progress and disappointments. Today, a lot of people are experiencing failure because they have missed their massive opportunities over and over again.

But that doesn't have to be your lot—not again. You can position yourself—spirit, soul and body—so that

when the doors of massive manifestations open, you are ready to enter into a new level in life. Your mind plays a major role in this. Your mind needs to be renewed and developed so that it can accommodate that new level and not shrink or shrug away at the possibility. Your mind must be big enough to take huge opportunities. It takes a massive mind to occupy massive doors.

Mind-set for Victory

If we will trace the state of the mind to the beginning, we will realize that Adam and Eve were walking in massive manifestations constantly because they were whole in their mind, spirit and body until they sinned. They had a mind-set of massive manifestations. Immediately they sinned, death took over and they lost that mind-set; their minds became twisted and they started thinking and reasoning evil by default.

...although the imagination of man's heart is evil from his youth.

Genesis 8:27b

By Jesus' work of redemption our spirits are born again, but our minds are not—they need to be constantly renewed. Every child of God has a responsibility to train his mind to be in line with God's Word. This must be done on purpose.

¹⁵I will meditate on Your precepts, And contemplate Your ways. ¹⁶I will delight myself in Your statutes; I will not forget Your word.

Psalm 119:15-16

*The entrance of Your words gives light;
It gives understanding to the simple.*

Psalm 119:130

¹⁴⁰Your word is very pure; Therefore Your servant loves it. ¹⁴¹I am small and despised, Yet I do not forget Your precepts.

Psalm 119:140-141

It is amazing looking at how King David trained his mind for victory, in spite of the limitation of the Old Covenant (1 Samuel 17:22-54). As a teenager, he was so aware of the covenant that God had with His people—Israel.

He fought both lion and bear on different occasions and prevailed by the covenant. All he saw in Goliath was his “uncircumcised status.” His mind was renewed to his covenant. While everyone in Israel was sore afraid of Goliath, David considered the giant a massive door—an opportunity.

David might have been a young man at this stage of his life, but his mind-set was far greater than that of the whole of Israel’s army combined. Where did that mind-set come from? How did he develop such a massive mind to take advantage of massive opportunities? When King Saul questioned his boldness and courage to fight Goliath, David let out a secret:

But David said to Saul, “Your servant used to keep his father’s sheep, and when a lion or a bear came and took a lamb out of the flock, ³⁵I went out after it and struck it, and delivered the lamb from its mouth; and when it arose against me, I caught it by its beard, and struck and killed it. ³⁶Your servant has killed both lion and bear; and this uncircumcised Philistine will be like one of them, seeing he has defied the armies of the living God.” ³⁷Moreover David said, “The Lord, who delivered me from the paw of the lion and from the

paw of the bear, He will deliver me from the hand of this Philistine.” And Saul said to David, “Go, and the Lord be with you!”

1 Samuel 17:34-37

David had built capacity for massive doors through the experiences he had in God. Knowing he had a covenant with God and reflecting on his past victories over the lion and the bear supplied enough impetus to face Goliath. As far as the shepherd boy was concerned, he had been in the same situation before, and the same covenant God that delivered him would not allow him to be killed by the giant. This mind-set was what the whole of Israel, including King Saul, lacked!

There is no short cut about it. If you want to have *massive*, you must cultivate your mind for *massive*! You must build capacity for massive manifestations through godly experiences, alliances and encounters. Your first port of call must be the words of the covenant you have in Christ Jesus. You must reflect massively on God’s promises to condition your mind for massive manifestations. That way, when the opportunity for massive shows up, you will have the courage and confidence to go for it.

Also, you must associate rightly. You need strong relationships in order to become your massive prophecy. You need friends that will aid your capacity for massive manifestations. You can relate with sinners in order to set them free, but never let them lure you into the bondage of sin. It is okay to give them of your own spirit, but never allow them give you of their own rotten spirit. For your massive manifestations, guard your heart.

Blessed is the man who walks not in the counsel of the ungodly, nor stands in the path of sinners, nor sits in the seat of the scornful.

Psalm 1:1

You cannot romp with hens and fly with eagles at the same time. You cannot have a mediocre mind and walk in massive manifestations because when a massive door shows up, you will find it challenging to utilize it. That's why you need to develop a *massive* mind-set by surrounding yourself with massive minds. You must have people in your circle of relationships that constantly challenge you to pursue greater things in God. Those are your true friends. You must have mentors and role models living in the *massive*, so that you can envision at a close range what it takes

POSITIONING FOR MASSIVE MANIFESTATIONS

to walk in massive destiny. You must train your mind for massive capacity on purpose, and when the opportunity comes, you will not shy away.

It doesn't matter where you are now, it doesn't matter if you have been abandoned in the bush like David, it doesn't matter if it seems you are nobody to be reckoned with. Just keep developing yourself. Like David killing the bear and the lion, keep taking the opportunities that come your way, developing your mind as a result. One day a massive door will swing open, and you will have enough confidence to enter into your destiny.

I declare that day has come! In this season of massive manifestations, a door for full expression will open for you. As you develop the champion's mind-set through your godly encounters and alliances, your eyes will be open to opportunities that will launch you into reckoning. You will not miss it. Rather, you will maximize those opportunities to your greatest advantage. What massive doors they will be, and you will walk in by your massive mind!

Massive Actions

- Develop your natural gifts and endowments on purpose through education and association. An undeveloped ability will never be appreciated.
- Develop your mind for exploits by taking opportunities that come your way, so that when your massive door opens up, you will go through it easily.
- Relate and walk with people that have the mind-set for *massive* so that you can produce after their kind.

CHAPTER 5

Massive Love for Massive Victories

“Get the true picture of Love. Love is a divine nature; love is a conscious decision and love is an act. Don’t confuse the passion and emotion of love with the root nature of love. True love is only possible by God. God is love and love is God.”

- Pastor Kay, February 14 2012, 5:29pm GMT

How do you measure a person's love for another person or thing? It can be measured by the extent to which the person sacrifices to possess a thing or be with the other person. When it comes to God's love for humanity, you can attempt to search the depth of it, but you will find no end.

*...to know the love of Christ which passes knowledge;
that you may be filled with all the fullness of God.*

Ephesians 3:19

This same love has been communicated to every Christian at new birth by the Holy Spirit! This love of God is not a fickle emotional feeling. It is a supernatural affection, devotion or commitment to live out godly character. God's love has been deposited in us to put us above in life. This massive love produces massive victories when we put it to work!

The love of God can be seen in three dimensions where man is concerned: The first dimension is God's love for us. This is the foundation of the God-kind of love. Until we come to a place of revelation that God loves us, manifesting the love of God will remain a struggle. This dimension is unquestionable.

The reason for creation, the reason for the Old and New Covenant and the reason Jesus came to die for us, are all rooted in love. God has proven to you and I that He is committed where His love for us is concerned.

Behold what manner of love the Father has bestowed on us, that we should be called children of God! Therefore the world does not know us, because it did not know Him.

1 John 3:1

We love Him because He first loved us.

1 John 4:19

The second dimension is our love for God. This is based on the fact that God has shared His love nature with us. This puts us in a position to respond back to Him with love. We have the capacity to love God. We can love God because His love has been shed abroad in our hearts. Since we are recipients of His love, it is only natural to respond back in loving Him.

Now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit who was given to us.

Romans 5:5

And we know that all things work together for good to those who love God, to those who are called according to His purpose.

Romans 8:28

But if anyone loves God, this one is known by Him.

1 Corinthians 8:3

To realize your massive harvest this season, you will need the love factor to be tightly in place.

Loving God

It is only appropriate to respond back in love when love has been shown to you. You and I have been lavished with God's love. God demonstrated His love towards us even while we were sinners. He recreated us by the power of His love. We were rescued and redeemed—old things passed away and all things became new—by love.

But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.

Romans 5:8

God didn't leave our loving Him to chances. At new birth, He reproduced His love in us.

He gave you and I the capacity to love. If you are born again, you have got the love nature in you. You can love as God loves. You can love God as He has loved you.

Loving God then becomes a command. As a matter of fact, Jesus equated all the laws and prophets to love. In this season of massive manifestations, you must exhibit and release back the love of God in you to harvest much fruits.

And you shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength. This is the first commandment.

Mark 12:30

Love, complete and whole—that is the great commandment! And it doesn't come with terms and conditions. It is not a fickle feeling or something that bows to convenience all the time. Rather, it is a deadly commitment to God, come rain or shine, when it is reasonable or not. Loving the Lord is putting your attention on God and acting accordingly. Love is not something you just say, it is something you do. If you really love God, act like it. God is expecting you to act appropriately where your love for Him is concerned.

The same way Jesus asked Peter, He's asking you today, "Do you love me?"

Solomon Loved the Lord

King Solomon in the Bible had the commentary that he loved the Lord. And what massive blessings came his way! Today we talk about the wisdom and riches of Solomon. On this side of the divide, the glory of Solomon will always be a point of reference. How can one man command such intelligence and wealth? His result was not unconnected with his love for God.

And Solomon loved the Lord, walking in the statutes of his father David, except that he sacrificed and burned incense at the high places.

1 Kings 3:3

It was Solomon's love for God that made him sacrifice a thousand burnt offerings to God in one day. He did not spare the rams and the efforts to kill and burn them in order to please God. He was all out to worship God. Pleasing God, which is what His kingdom is all about, was all Solomon was after. Nothing else mattered!

If you love God, like Solomon, you will be committed to His kingdom. You will be sold out where His kingdom is concerned. God and His kingdom will come first in your life. You will see anything that wants to take the place of God in your life as a destroyer and you will run from it—even from afar. A lot of God’s people are too driven by their emotions and feelings. They are always thinking about their present pleasures and gratifications. I’ve seen cases of people that got married and stopped loving God. I’ve seen people that allowed money to make them relinquish their love for God. I have seen people that their love for God takes a back seat as soon as a so called “blessing” came into their life. A “blessing” that will hinder your commitment to Him is not a real blessing; it is a fake blessing.

Love is not Emotions

What some believers don’t realize is that love is bigger than emotions. It is bigger than how you feel. Moods and feelings may tend to waver based on happenings, but your love for God must be constant. Instead of you being on a roller coaster of emotions, you must display love to a point that your feelings are regulated.

You must prove your commitment to God by your actions of love that will make you steady on your way to your massive manifestations. Producing much fruit requires that you put your heart on God only. Not being fully committed to loving God makes one a misplaced Christian. Graphically, it's like sitting on the fence putting one leg in the kingdom and another leg in the world.

Things were never designed to work that way. One foot in the Word and one foot in the world does not work. Tasting the devil on one side and tasting God on the other side will not profit you. If you are a Christian, let people know you as one. God says, "Put both of your feet in my kingdom, I need your full commitment."

But Jesus said to him, "No one, having put his hand to the plow, and looking back, is fit for the kingdom of God."

Luke 9:62

Go for Love

Are you deadly committed to God? In this season, God is demanding of you to go all out. People that will experience "massive" are people that are totally sold out to God.

There will always be issues of life, but put your attention on God and act accordingly. Take your mind off the mundane and focus on the kingdom. There's a way you can put all your heart and might on Him that you don't even notice some problems when they come knocking on your door.

And we know that all things work together for good to those who love God, to those who are the called according to His purpose.

Romans 8:28

You can be so much in love with God that nothing else moves you. Winds of pressure may blow around you, but you are covered by His love. Bad weather or circumstances may want to prevail for a while, but you somehow weather the storm. Even at the face of life-threatening issues, you are unperturbed. What can get you off this love of God? Nothing!

Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?...For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be

able to separate us from the love of God which is in Christ Jesus our Lord.

Romans 8:35, 38-39

Why is this so? The love of God you possess is massive, and it can withstand and overcome any contrary situation. This is not just looking for what God can give or do for you (the truth is that He has done all), but what you can do for Him and His kingdom first. You don't hold back on giving because you love Him. You don't stop serving Him because you are being driven by love. You are quick to forgive the people that offend you because you simply love the One that says "forgive."

Worship and adoration of God flows so easily because you are in love with Him. The world may be crying, but you are singing. The world may be disturbed by happenings, but you are thanking God in everything—knowing all things are working together for your good. There is always an excitement in your spirit because of the fountain of love in you that can never run dry. This is the way to live in this season. Your love for God must be clear-cut. Everybody must know that you love Him.

Their wonder for your commitment towards God will soon translate to a wonder for your testimonies.

Labor of Love

For God is not unjust to forget your work and labor of love which you have shown toward His name, in that you have ministered to the saints, and do minister.

Hebrews 6:10

There is a massive reward that awaits God's children that are committed to laboring in love. The word 'labor' implies application of effort when it is not convenient. There will be a demand on your love walk on a consistent basis. God expects you to do what is right in terms of walking in love whether it is convenient or not. It is your covenant duty. Our New Covenant in Christ Jesus is a covenant of love. Whatever seed of love you sow will never go unnoticed according to Hebrews 6:10. You will be massively rewarded. So make up your mind that you will be a responsible child of God that will always represent God's kingdom adequately by walking in love.

POSITIONING FOR MASSIVE MANIFESTATIONS

I declare in this season, as it was with Solomon in the earlier years of his reign as king, you will experience immense breakthrough, unparalleled increase and untold harvest. You will find the grace and will to express the love of God wholly to your great advantage—your manifestations. For you, it will be massive love for massive victories.

Massive Actions

- Meditate on the love of God by which He first loved you. Let your unwavering commitment to Him and His ways be fuelled by this revelation.
- Confess your loyalty, dedication and commitment to God on a regular basis. Make it a reality.
- With words followed by action, refuse the flesh when it rears its head. If you are ever overwhelmed at such a moment, ask God for forgiveness and re-establish your commitment to God's law and principle of love.
- Pass your "love tests." When God demands something of you, or when you know you ought to give up something for God, do not hesitate to let go.

CHAPTER 6

Massive Fear for Massive Restoration

“Every restoration hinges on a revelation. Your desired flight hinges on a divine light. Stop living at the mercy of life. Rather, be at the command of the affairs of your life. The enemy is bound to massively return whatsoever he has stolen from you once you subscribe to revelation. His massive light carries your restoration. Let the massive return begin. It’s your season of massive restoration.”

- Pastor Kay, February 12 2012, 5:01pm GMT

Your love for God is the foundation for every good thing and it evidently leads to other factors. One of them is the fear of God. If you have a revelation of God's love, you will fear Him. It is only natural. There's no way you will love God and not fear Him.

By fear of God, I do not mean being afraid of God. I mean having respect, reverence and honor for Him. It is to treat God with high esteem and value. According to the psalmist, this is what births wisdom.

*The fear of the LORD is the beginning of knowledge,
But fools despise wisdom and instruction.*

Proverbs 1:7

Wisdom is the principal thing required for massive manifestations! If you want to experience the blessing in an unusual way this season, if you want to experience uncommon glory, if you want to manifest God, your fear of Him must go to a whole new dimension. The people that experienced God unusually in the Bible had a deep reverence for God. Join their league.

There was a man in the land of Uz, whose name was Job;

and that man was blameless and upright, and one who feared God and shunned evil. ²And seven sons and three daughters were born to him.

Job 1:1-2

Remember Job

What a resume: a man that feared God and shunned evil. And Job had such massive wealth to show for it. At that time, he was regarded as the greatest man in the East. Don't get me wrong; he was not a faultless man. He actually had his shortcomings. He experienced life challenges as well—they were so grave that they could break any man. Notwithstanding, Job somehow weathered the storm with his reverence for God in place.

Job's problem came when he allowed the devil into his life through a different kind of fear. This fear was not reverence; he was frightened by evil. As a result, he attracted evil to himself, but he went through it all holding God in high esteem. He wallowed in self-pity for a season, but he did not allow it to touch his fear for God. He had "reasons" to curse God, but he did not.

His reverence for God could not let him dishonor God. At the end, God honoured Job's unwavering regard for Him. Though he had lost everything due to the devil's attack, God restored everything in double measure. What a transformation for a man that had gone completely bankrupt—physically and materially. Job's reverence for God made Him to restore to him in an overwhelming manner. His massive fear got him massive restoration!

And the LORD restored Job's losses when he prayed for his friends. Indeed the LORD gave Job twice as much as he had before.

Job 42:10

How Many “Jobs” are Around?

A lot of people in this generation are unlike Job. And they are missing out on God's blessing of restoration because they don't have the fear of God. Instead of getting massive breakthroughs, they get massive breakdowns. Where God's standards are concerned, they compromise their stand so easily that they end up bringing shame and dishonor to His name. It is a dangerous thing not to revere God.

In the book of Acts, a couple, Ananias and Saphira, were destroyed because they would not fear God. They literally lied in the presence of God and were struck dead. If anyone thinks such occurrences don't happen in our days, the following true story will make such a person to think again:

In a meeting, one of my elders in the faith shared an incidence that occurred in the church he was leading. Unknown to the church authority, one of their ushers consistently held back a portion of the offering for himself. He had perfected the act such that he left no traces for anyone to suspect him. All of a sudden, this man was struck with a strange sickness. He tried everything, but he could not be cured. He later realized the sickness was connected to his acts and decided to confess. The man of God forgave him and with passion, he prayed for him to be healed. But at the end, the man died.

Also, I remember a certain period in my pastor's church in Nigeria. Back then, we were using the facility of a hotel. There were people who came to church, purposely to steal other people's properties. As people lifted their hands to pray and worship God, those

people with twisted minds would start stealing. One day, a holy anger rose in my pastor. He stood on the altar and declared that as people were getting healed in church, the sicknesses would go into the bodies of those that came to church purposely to steal!

We really don't need people dying for us to learn to fear God. We are in a season of "massive," and it can manifest in a good or bad way, depending on where you stand concerning the fear of God. But why would someone want invoke self-destruction? In your mind, let God be much bigger than someone you can play games with. Never joke around with Him.

Nowadays, it is not uncommon to see a lead singer or instrumentalist of a church singing in a night club on Saturday night before coming to minister in church on Sunday morning. These days, it is not so rare to see someone talking against his pastor or treating him with disrespect. Beware, keep clear from these acts! That is why some church people have been grounded. That is why some homes don't have peace. That is why things break down in people's lives and they wonder why.

Fear God, not Men

Friend, you must honor God and His presence. When you come to God in personal fellowship in your closet or in church gathering, leave your big titles and qualification behind. God is not any man's mate, so you come to His presence with reverence and treat Him with respect. When there is great fear of God, there is usually a miraculous move of God. When there is no reverence, miracles cease. After the Ananias and Saphira episode, there was a great fear on the church and great miracles were recorded.

Then Ananias, hearing these words, fell down and breathed his last. So great fear came upon all those who heard these things.

Acts 5:5

The story was different in Jesus' home town. Because of their lack of reverence for the anointing upon Jesus, not many miracles happened there. Only very few people got healed because there was no fear of God.

Now He did not do many mighty works there because of their unbelief.

Matthew 13:58

POSITIONING FOR MASSIVE MANIFESTATIONS

Often in meetings and services I conduct, the Spirit of God will describe a specific issue a person(s) are going through in order for them to be ministered to. Yet, sometimes, they will not respond to the call because they are self-conscious. The bottom line is that such people do not have the fear of God. Such a person may show up at the end of the service and give the flimsy excuse that he didn't come out during the service because he didn't want to be embarrassed. However, the anointing to meet that need may have already lifted. What does he want the pastor to do?

When you have the fear of God you will lose the fear of men. You will not allow people and what they will say to drive you to disobey God. The fear of God will stop you from being self-conscious at the expense of honoring God. It will stop you from all forms of lies. When you lie, you are elevating people's opinion of you and the situation higher than God's Word.

In this season, you must fear God like Job did for you to experience massive manifestations. You must respect, revere and honor Him deeply. You must value God as special because He is indeed special. A depth of reverence for God must be evident in your life, home and affairs. You must conduct yourself always

with the fear of God.

For the sake of “massive,” you must straighten up. When you are being enticed to move one step towards sin, do the opposite: move two steps backward because of the fear of God. Tell yourself, “I can’t afford to mess up my body, which is God’s temple.” When you are tempted to lie or exaggerate, let the fear of God hold your tongue. If your case is called up in church, don’t be shy to come out and get ministered to, and thereby make the man of God look like a fool. How dare you! God is bigger than all. He must be treated with honor and respect.

You must place Him above your education, job, issues and circumstances. Let the value of God increase in your life so much that you can let go of anything for Him. Let His voice and instruction become the only thing that moves you.

This is a call unto reverence, and as you do this, I see God invading your home with the miraculous and the supernatural. I see testimonies coming your way. It is your season of massive manifestations, and I see you laying hold of tangible results by the reverence of God. It’s massive restoration by massive fear!

Massive Actions

- Be committed to doing the will of God regardless of public opinion.
- Put God permanently first on your list of priorities —above your education, career, family, business or relationships. Resist anything that wants to take His place in your life.
- Gauge your “reverence level” for God, His Word, His manifest presence and His specific instructions. No matter what point it is, step it up.

CHAPTER 7

Massive Guidance for Massive Breakthroughs

“There is a divine code from your Maker that unlocks your massive destiny. You remain a misfit, misplaced and miserable until you are unlocked by God. This is the key to your massive relevance, massive significance, massive impact and massive influence in life. I declare in this season, you are getting the download of your massive codes from the secret place of the Most High for your massive living.”

- Pastor Kay, January 10 2012, 5:12pm GMT

If you are a child of God, you have been saved to live a supernatural lifestyle that produces outstanding results and makes you victorious in life. The supernatural lifestyle is not as difficult as some people may want to paint it to be. It is one of triumph. However, you must locate where your victory and triumph in life reside.

Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ.

Ephesians 1:3

All spiritual blessings are yours. In the real spiritual sense, you are not going to have it massively. You already do. In dealing with massive manifestations, it is not that you have not been endowed or that you don't have the victory. You have been blessed already and all you need to do is manifest the blessing! The world must see the glory of the invisible blessings you have!

The task at hand is to translate what is unseen to a physical tangible reality. This will require you receiving signals from God to lead and guide you into your desired results.

For your breakthrough to be realized, you need to have clear cut directions from the spirit world of the blessing. Your supernatural advancement is tied to your ability to receive supernatural direction. You need to be guided by God for your lifting—massive guidance for massive breakthroughs.

The LORD is my shepherd; I shall not want. He makes me to lie down in green pastures; He leads me beside the still waters. He restores my soul; He leads me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for You are with me; Your rod and Your staff, they comfort me. You prepare a table before me in the presence of my enemies; You anoint my head with oil; My cup runs over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the LORD forever.

Psalm 23

What a profound Psalm! It portrays a man guided by God (as a shepherd guides his sheep) to manifest the blessing such that his needs are met. He walks in the right path, he is being refreshed, he is kept from evil, he is satisfied with good things in the presence of his enemies (including negative situations and

circumstances) and he overflows into abundance. What a massive manifestation. But it all came by knowing that: “The Lord is My Shepherd.”

David, The Guided King

The writer of Psalm 23 was David. What he wrote about was truly his experience. All through his life, he experienced supernatural direction. He rarely went to battle without enquiring from the Lord. He rarely trusted in the strength of his army or the outcome of the last battle. He knew it took God’s voice to win.

The same cannot be said of so many people. Today, there are so many lives that lack supernatural direction and as such there are no results to show where their destinies are concerned. Because they couldn’t hear the voice of God, they are stuck and grounded. They are confused not knowing where to go and what to do in life.

Some of these people are full of information, yet they are not making a headway in their endeavours. They are stuck because they don’t have specific divine directions that will lead them out of the rut. They

don't know the voice of God like David did. They are like sheep that don't know the voice of their shepherd. How then can they be led to their green pastures?

Hear His Voice

There's a voice of direction that leads you to your provision and preservation. If you're God's own, you need to hear His voice in this season. Your breakthrough depends on it. Your massive experience is locked in your ability to receive divine directions. You need to hear the voice of your shepherd to know what to do, where to go and how to walk.

Your ears shall hear a word behind you, saying, "This is the way, walk in it," whenever you turn to the right hand or whenever you turn to the left.

Isaiah 30:21

The hearing here is not natural. It is spiritual hearing. When it comes to divine direction, God usually does not communicate directly to our physical senses.

He communicates to our spiritual senses. In every one that is born again, there is an inner man—the

spirit—with an inner ear. It is through the spirit that God communicate to us. If you want to maximise this season, if you desire massive experiences, you must cultivate the habit of hearing from God with your spirit.

*The spirit of a man is the lamp of the LORD,
Searching all the inner depths of his heart.*

Proverbs 20:27

Hearing Problems Solved

The problem is that so many people have not paid enough attention to their spirit the way they ought to. They have over relied on their mind rather than focusing on their spirit. The difference between the equipment of the mind and the spirit is that the mind is fed by the physical senses based on natural happenings, while the spirit is fed by spiritual senses based on supernatural truth. And you have been supernaturally equipped to hear and be led.

For as many as are led by the Spirit of God, these are sons of God.

Romans 8:14

This is it! Here is the reality you must walk in: If you are a child of God, you are supposed to be led by the Spirit of God. You actually have the ability and capacity to hear God in your spirit man. You are not meant to live a confused, dejected and miserable life. A thousand times no! You are supposed to be directed to your riches and honor by God, your Shepherd. It's massive guide for massive breakthrough!

Pay the Price

Yes, there is a price to pay. You must position yourself to hear God's voice by paying attention to your spirit. Feed your spirit with the Word of God because whatever specific instruction you will hear from God will be a derivative of the Word. Spend time regularly with God in worship and prayer seeking His will. Do these with fasting on a regular basis. This way, you will be able to keep your flesh under and your spirit's "antennae" will be up to pick up God's signals.

The deal is done. God desires to communicate with our spirit and has equipped us for it. If you lack divine direction as a child of God, it is not your lack of ability to hear God and distinguish His voice; it

is your unwillingness to pay the price to hear. It is because you have elevated your flesh over your spirit.

This season, you must hear! Do whatever is necessary. Lock yourself up in a room to fellowship and spend time with God in prayer and His Word. Avail yourself of the corporate anointing in church services. Sincerely seek and ask God for what to do, how to do, where to go and whom to deal with and listen for His voice. Let your spiritual ears be wide open.

Elevate Your Spirit, not Your Mind

Your natural senses can do you little or no help where hearing God is concerned. Thank God for your mind, but the mind is limited regarding divine instruction. Instead of being overly conscious of your physical senses, you need to be responsive to your spirit. That is where the light of God's direction is shed. That's where the voice of God is heard. And anyone that doesn't hear God is lost, or will soon be!

I declare in Jesus' name that you are going to be spiritually attuned to receive signals from heaven. Your spiritual ears are opened and you are sensitive in your spirit to know what God wants you to do.

Massive Guidance for Massive Breakthroughs

The days of confusion are over. You will know what to do and what step to take in every area of life in this massive season. And you will break through massively.

I see you at the other side. I see you crossing over every barrier to your dreams. I see your massive advancement coming cheaply by supernatural leading. I see the Lord your Shepherd leading you to your overflow and abundance in a way that will daze people around you. Massive breakthrough by this massive guide in Jesus name!

Massive Actions

- Have and carry out a simple plan to elevate your spirit on a regular basis through meditation, prayer and worship. You must position yourself to hear God.
- Cultivate the habit of “looking within” and checking for a word or instruction that God may prompt. God speaks to us primarily through our spirit.
- Cut out sources of unbelief and unedifying thoughts and words in order not to “pollute” your spirit. Inspiration is a function of information stored.

CHAPTER 8

Massive Faith for Massive Miracles

“Obeying God is not the risk. The risk is not following your divine instructions. Step out in faith and be the massive you were born to be. It’s blood guaranteed. Faith does not wait; rather, it takes. No more fear!”

- Pastor Kay, February 15 2012, 6:23pm GMT

In this season, I see you receiving divine instructions that will lead to your breakthrough. However, it is one thing to get a direction from God and another thing to follow such a massive guide. The instruction or direction does not automatically translate to manifestation; it is your obedience to it that brings result.

This obedience or appropriate action is what faith is all about. In a simple definition, faith is acting on the Word that has been revealed. For you to experience unusual breakthroughs that will daze the minds of men at this time, you need to engage your faith in a very active way. Your massive expressions will require your massive faith.

Don't Just Hear, Do!

Many people are so analytical in their mind that they allow their “massive” to pass them by. They are either so taken by the import of the divine direction that they receive or they are just nonchalant about it. Whatever the case, they don't act on the instruction they hear from God. They hear, but they don't do and as a result, they are not blessed.

But He said, “More than that, blessed are those who hear the word of God and keep it!”

Luke 11:28

Mary, The Distinguished Virgin

Mary, the mother of Jesus, stood out in her generation because of her attitude to God’s Word. She was quick to act on the words hanging over her. When the angel came to give her the promise of the virgin birth, she received it with joy. And she acted accordingly, trusting that God will keep His end of the bargain. Blessed Mary manifested an unprecedented miracle because of her actions of faith to a divine revelation.

Then Mary said, “Behold the maidservant of the Lord! Let it be to me according to your word.” And the angel departed from her.

Luke 1:38

Later in the course of Mary’s life, she showed people around her this miracle pathway. At a wedding in Cana of Galilee, when the people needed a breakthrough for the supply of wine, she gave them the key to that

miracle. I consider it to be the most important key to massive miracles.

His mother said to the servants, “Whatever He says to you, do it.”

John 2:5

Faith Says, “Do it”

That is the spirit! Once God speaks and you hear Him, get up and act. Don't delay! Delayed obedience is equivalent to disobedience. Hearing God's instruction is the starting point, but the ultimate is doing it. The spirit of faith is quick to act on divine direction. Faith is action!

And since we have the same spirit of faith, according to what is written, “I believed and therefore I spoke,” we also believe and therefore speak.

2 Corinthians 4:13

It starts with speaking—declaring the particular promise over oneself—then acting, arranging one's whole being to accommodate that promise and carry out the instruction in order to lay hold on the massive manifestation of the miracle.

There is no procrastination here. Only actions corresponding to faith in the declarations of God!

Procrastination is a terrible attitude. It has destroyed so many people. Many lives are filled with regrets today because of the attitude of “I will do it tomorrow.” They have missed their massive opportunities to receive massive miracles. They were too sluggish to be the first to “jump into the pool for their healing when the angel came to stir the water.” And their condition remained.

This will not be your story this season. I declare in His name that your massive miracles will not be aborted! Not only will you hear the voice of God, you will find the strength to carry out His Word. As you act quickly to divine instruction, your miracle will soon be placed in your hand. The spirit of faith will release you into massive manifestations in this season, and it will thrill everyone around you.

Get ready for the results of your obedience. You shall see it and rejoice. It shall manifest for all to see. Massive miracles by massive faith, delivered into your hands by God!

Massive Actions

- Take the first step in realizing the massive promises revealed in your heart. With your mouth, declare your faith.
- Be bold to take the next step of action. If you don't know it, inquire for it from God or seek counsel from mentors.
- When you see yourself not acting in line with your massive manifestations, go to the Word for fresh revelations or revisit your vision.
- Keep acting when you face obstacles on your way to your manifestations. Turn on praise for spiritual energy and massive work of angels.

CHAPTER 9

Massive Connection for Massive Flight

“There is a fight to win, a race to finish and the faith to keep. However, the race is not for the swift or the battle for the strong. It’s not by power nor by might, for by strength shall no man prevail. You will prevail in this massive season through His massive help that is supplied by His massive grace. I see you winning, finishing and soaring by God’s massive hand. Massively...we win!”

- Pastor Kay, January 16 2012, 5:25pm GMT

No man can really achieve massively alone. Every man's destiny has been designed to connect with certain graces and anointing in human vessel. Many times, such vessels are even the conveyor of the divine direction needed for massive manifestation, and even the power to bring it to pass.

Such men and women of God are called prophets. The term "prophet" (in this regard) actually covers the five-fold ministry. I call them "agents of change". God has certainly assigned some to your destiny. And it is your duty to locate and relate with them accordingly. Never joke with them. You must create a prophetic connection that will lead to your elevation. It is massive connection for massive flight!

*By a prophet the LORD brought Israel out of Egypt,
And by a prophet he was preserved.*

Hosea 12:13

The Connected Widow

When God wanted to change the life of the widow of Zarephath, He sent the prophet Elijah to her. Through that prophetic connection, her provision was secured.

The prophet met her with her last meal, which she and her child wanted to eat and then die. By the time the prophet “delivered her goods,” she had abundance.

The bin of flour was not used up, nor did the jar of oil run dry, according to the word of the LORD which He spoke by Elijah.

1 Kings 17:16

Just imagine! This widow’s miracle was locked in the prophet. What if she refused the prophet? What if she neglected the prophetic utterances that came from her man of God? What if she called the prophet a fool? She would have died of massive hunger!

Woes for the Unconnected

There are men and women today that are grounded because they will not receive the word of the prophet sent to them. I have seen gifted and talented people struggle because they couldn’t locate their man of God and relate accordingly. And their life is not reflecting anything good. Yet, they have devised theories to justify their actions and penury. What pride!

“Prophets are for Old Testament saints,” someone would argue. “We are in the New Testament, we all hear from God.” So why did He give us ministry gifts? These gifts, recorded in the New Testament book, are given to New Testament believers. The prophetic ministry is never lost. Though every New Testament could relate with God directly, prophets are still as relevant today as they are in the Old Testament.

And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers.

Ephesians 4:11

By prophets, I do not refer to some fake men and women that go about begging for money in the name of God. I do not imply some prayer contractors. A prophet that needs your money to survive is fake. Real prophets don't demand because they don't need your money. It is you that need them. It is you that connect to them for your prosperity and preservation.

Prophetic Blessings

I have certain prophets over my life, and that is a major reason why I have experienced elevation in life and ministry. Before I allowed these prophets to take their place in my life, I struggled in ministry. But when I realized the great value of these men of God as “agents of change”, I was smart enough to embrace them. Now my story has changed. As these men of God speak into my life and I receive their prophetic declarations, as they serve as covering for my destiny, I am being elevated. I am soaring like an eagle! And the same way, I am the prophet of so many people under my ministry and beyond, and these people are moving forward in life.

Friend, you need your covering. For you to take flight massively, you need your prophet. This is not just any pastor or bishop; this is the one that God will lead you to. You don't just connect to just anyone, you connect to your God-sent. You don't just go to any church; you go to the one that God commands you to attend.

Church for you must never be a social gathering where you just hang out with friends.

It must not necessarily be the place of worship closest to your house. It should not be a “family church” where the only reason you go there is because you were born into that denomination and everyone in your family attend. It must be more than that. There is a place called there where your destiny is concerned. If you are not there yet, then you are not there.

Someone wanted to impress me one day by telling me the reason why he couldn't make church: “I want to come to church, but it's far so I stopped at a nearby church to worship.” I said to him, “When was the last time you were thirsty and you just took anything that looks like water. Rather, you go find yourself good clean water. If you won't do that to your body, why should you do that to your spirit?” I concluded.

This is massive. We are dealing with destiny here. Any man without his prophetic connection is stranded. There will be so many missing pieces in his life that what remains will never add up to destiny. But when such a man finds his man of God, when the prophet's voice is sounded over his life in instruction and declaration, his destiny is secured.

I declare in the name of Jesus that you will locate your prophet the way the widow of Zarephath did Elijah. You will drink from his word of direction and impartation so much your life will reflect “massive.” You will “suck” life from your prophet until you are fully satisfied. Then your destiny begins and continues until its fulfilment. Massive flight by massive connection through your covering!

Massive Actions

- Settle the church question. Locate yourself in the church that God will have you be for the season.
- Locate your prophets—your pastor and maybe a couple of other ministers God will bring into your life—and draw from them.
- Receive the word of your prophets when they speak into your life through preaching, prayer or other impartations. They are anointed for you.

CHAPTER 10

Massive Seed for Massive Harvest

“Massive result demands a massive input. Don’t settle for an ordinary life. You are more than this. It’s time to go an extra mile, do what it takes to excel, make an extra effort or take an extra step. The difference between people that stand out in life and the rest of the world is the extra they added. ‘Massive’ is calling. There is a spot in the extraordinary category reserved for you. Supply the extra and put an end to mediocrity. Go massive!”

- Pastor Kay, February 21 2012, 6:54pm GMT

God is never a magician. On earth here, heaven operates by the law of seed and harvest. If there is going to be a massive manifestation, it is going to be harvest of a seed. For you to have a net breaking yield this season, you must plant some earth shaking seed. It is massive seed for massive harvest!

It Takes Sacrifice!

From the days of the patriarchs, there's usually an altar of sacrifice that brings the "massive." And everyone that listened to God's voice in the course of biblical history regarding sacrificial giving had a bountiful harvest at the end.

Abraham was one of such. God asked him to give his only child Isaac, whom he loved so much. The seed here was not something that Abraham could just give without batting an eyelid. God did not ask for something cheap. He asked for Abraham's most precious possession. And Abraham gave him.

What was the result? God came down to declare a harvest upon Abraham that is still being reaped till today.

Every one that is born again is a descendant of Abraham. Abraham's willingness to sacrifice Isaac provided the platform that mandated God to sacrifice Jesus Christ. Through the sacrifice of Abraham, God's plan for redemption was born.

Sow The Seed

There is a seed attached to your massive manifestation. Until you sow it, you may not break loose into new grounds. So many people's destinies are still covered up because they don't know the place of sacrificial giving that will explode their destiny. They are doing everything they have been taught, but still wondering why things are not booming. Only one more thing may be required, according to the words of Jesus to a certain rich man.

Then Jesus, looking at him, loved him, and said to him, "One thing you lack: Go your way, sell whatever you have and give to the poor, and you will have treasure in heaven; and come, take up the cross, and follow Me.

Mark 10:21

Someone may say, “If I give so much what will become of me? How will I survive?” Well, those may not be the right questions to ask. The right one should be: “How much do I desire to manifest massively?” Your primary concern shouldn’t be about your past or present. Rather, it should be about your future. And your future is in your seed. Days, months and years to come will only reflect the seeds you are sowing today.

Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap.

Galatians 6:7

Give Whatever He Demands

Like Abraham, God will require you to plant an appropriate seed for your harvest. And if what you have in mind is massive as this season depicts, then your seed must be massive as well. There are realms of impact, prosperity and abundance that you will never know if you don’t know how to plant a costly seed at God’s command. Your massive harvest is attached to your sacrificial seed.

Massive Seed for Massive Harvest

What is the Lord demanding from you? What is He asking you to bring to the altar? Don't be like that rich man that couldn't give everything; be like Abraham that gave his all. Nothing is too big to give to God. He is not trying to take from you; He is only willing to give you more. He doesn't want to reduce you; He wants to add to you. He doesn't want you broke and busted; He wants you rich and great, massively. He wants the harvest of your massive manifestation to come in time.

And it shall be so. As you obey God by going the extra mile to sow a seed that will stretch you this season, you will break into new realm of favor and finances. Your massive future will be guaranteed by your sacrificial seed. It is your time and season, break forth on the right and the left, in front and at the back till you expand to fill your whole sphere. I declare you will walk in this strange harvest by your unusual seed. In Jesus' name, I welcome you to this whole new terrain—an open field of massive harvest by massive seed!

Massive Actions

- Seek, inquire and plan to sow, according to God's leading, a sacrificial seed for your massive manifestations. Your harvest is a result of your seed.
- Keep declaring the promises of God upon your sacrificial seed. Receive your harvest in faith.
- Locate anointed and good grounds that have the capacity to produce the kind of fruits you desire. Then plant an appropriate seed and expect your massive harvest.

CHAPTER 11

Massive Service for Massive Placement

“Faithfulness is your qualification for massive promotion. God does not promote based on time spent; rather, He promotes based on your faithfulness to His purpose for your life. Reuben failed in spite of the excellence of dignity and power because he failed the faithfulness test. ‘Massive’ answers only to faithfulness. A faithful man overflows in blessing. Your seed of faithfulness will overflow to massive harvest.”

- Pastor Kay, February 23, 2012 7:55pm GMT

You definitely want to be part of this move of God at this time. God wants to use His glory upon you to teach the world His principles. Through your massive results, God wants to tell throngs of men and women, who are seeking elevation by walking the path of greed and evil, that He is the only one that promotes. Where promotion is concerned, God is in charge.

For exaltation comes neither from the east, nor from the west nor from the south. But God is the Judge: He puts down one, and exalts another.

Psalm 75:6-7

Get to Work

That is why you must “buckle up” in this season. When God looks down from heaven to see you, He must see you at work, with your acts and motive for the kingdom. Why? Being a member of God’s kingdom, a position has been secured for you, somewhere at the top. And you must begin to serve the kingdom to realize this position. In this season, you must commit to labouring for God and in His house.

Definitely more than ever, it is massive service for massive kingdom!

I cannot over-emphasize this. In our church, every member has the orientation of laboring for God. We make people realize that it is not just about you being ministered to, it is also important to minister to others. Why? Because “we need you at the top.” I, as a pastor, don’t enjoy seeing people coming to church consistently without being committed to serving in a church unit. If they are new comers, it is okay for a while, after which I expect them to serve. This is because I know the implications. All things being equal, bench warming in church translates to bench warming in destiny!

Joseph’s Servant Heart

Several men and women that God used rose to great heights through service, to God’s work directly or to the course of other men that God put over them for a season. Joseph rose to the very top serving in different places and capacity. He served with gifts of administration and dream interpretation. He served his masters, at one time Potiphar, and later Pharaoh. He was faithful to them all through.

Even in his stay in the prison, which was perhaps the lowest period of his life, there were indications that he was serving.

It was a service he rendered (interpreting a dream for a political prisoner) that eventually led him to the palace. God promoted him in a most astounding manner that his brothers that sold him into slavery in the first place couldn't believe their eyes.

Then Joseph said to his brothers, "I am Joseph; does my father still live?" But his brothers could not answer him, for they were dismayed in his presence.

Genesis 45:3

Climb the "Ladder"

Service is the ladder to the top. A lot of people because they don't have this ladder are stuck at the bottom. They are making all efforts to rise, but they can't possibly jump to the peak. People that came behind them left them in this rotten position because these new folks could find the ladder of destiny. They cannot lay hold to the promises of Scripture that assure promotion and blessing on the premise of service.

A faithful man will abound with blessings, But he who hastens to be rich will not go unpunished.

Proverbs 28:20

At a time Jesus' disciples, James and John, the two sons of Zebedee came to their master asking if He could put them beside him, one on the right and the other on the left, in His kingdom. Jesus, loving them, told them the truth where the realm of God is concerned. He gave the kingdom's inverse proportion between service and greatness.

Yet it shall not be so among you; but whoever desires to become great among you shall be your servant.

Mark 10:43

Serve the Kingdom

In the kingdom, you don't wait to be served, you serve. Get busy right away. Lay your hands on something you can do for God to advance His kingdom. You may have to join a ministry unit in your church, or play an active role in a fellowship group. You may need to be deeply involved in soul winning, or in special ministries and financing of the gospel.

Whatever your hands find or God is leading you to do, get on it massively! Your blessings depend on it.

So you shall serve the LORD your God, and He will bless your bread and your water. And I will take sickness away from the midst of you.

Exodus 23:25

Everyone has a special gift or ability, something that God has put in you for your destiny. Here is an opportunity to launch! No matter how raw or unrefined the gift is right now, begin to use it to minister and bless others. Use it in your church and beyond. Use it massively for God's glory.

Serve people that God has placed over you. Serve your parents and bosses with all your heart. Do more than is expected of you. If you have a rare privilege of serving your pastor or man of God, serve him with everything you have. Look for opportunities to serve your way to greatness. Service is the destiny ladder to your massive placement. If there seems to be no ladder of service in sight, create your own ladder and keep climbing. Don't be idle!

I declare as you serve in this season, your hand will be strengthened; your head will be lifted. Opportunities for your promotion will present themselves to you, and you will find the ability to take them. The grace of God will come upon your gifts and talents that the world will begin to seek you. Like Joseph, you will be promoted beyond your wildest imagination. Even people that opposed you at first will celebrate with you. They will acknowledge your massive placement by massive service!

Massive Actions

- Get on the ladder of service and keep climbing. Be actively involved in a unit, department or fellowship in your church.
- Serve people with your special gifts or abilities. The grace of God will come upon them for massive expression.
- Keep creating value for the people you serve: parents, bosses, customers, pastors, congregation, etc. Your massive promotion is on the way.

CHAPTER 12

Massive Praise for Massive Testimonies

“To every wandering Moses and hiding Gideon, your hour of liberation has come. I see a massive explosion of revelation in your life regarding your natural and supernatural abilities. The deliverer and the mighty man of valor in you are being massively released right now. I declare that your gifts and divine abilities are massively injected with life by the same massive power that brought Jesus back to life. Rise up and be all you were destined to be in 2012. Your world will celebrate your massive expressions.”

- Pastor Kay, January 13 2012, 5:59pm GMT

““**M**assive manifestations” is indeed an end time prophecy. It is the glory of God revealed and the hour has come for an unusual release of that glory. The world is going to see God at work in His own people causing untold increase and multiplication. They will have no choice, but to join in the praise of the Most High God.

Praise, Then “Massive”

But praise for the beloved will not be a consequence of the glory; rather, it is going to be the cause of it. For anyone willing and ready to manifest the “massive” this season, praise—heartfelt, steady and continuous—will have to precede the glory. There is no contradiction to this; it has to be massive praise for massive testimonies!

Paul and Silas knew this. At the heights of challenge in the midnight hour, when there seemed to be no ray of hope, they did the unusual and got the impossible.

But at midnight Paul and Silas were praying and singing hymns to God, and the prisoners were listening to them. Suddenly there was a great earthquake, so that the foundations of the prison were shaken; and immediately all the doors were opened and everyone's chains were loosed.

Acts 16:25-26

Imagine! These were men that should be crying and wailing having been beaten and thrown in prison. These were men that should be grumbling and complaining against God that He didn't protect them. But somehow, Paul and Silas knew better. They knew their God is bigger than their situation and they praised Him.

This is what a lot of God's people don't do. They flow with the current of happenings and only offer praises to God when things are going okay for them. They don't understand the scheme of the devil. When you are at the verge of breakthrough, the devil most likely will array situations around you that make things look like it is not working. He will want to play a "midnight" scenario where everything is dark. All so that you can give up!

Use the Power of Praise

But you better not! There is a weapon at your disposal the devil cannot understand its working and potency. It throws enemy's smokescreen of problems back at his face. Hell will always stand confused, perplexed and confounded at a genuine praise to God coming from the heart of His children. Then the angels will go into operation for a massive yield.

Let the peoples praise You, O God; Let all the peoples praise You. Then the earth shall yield her increase; God, our own God, shall bless us. God shall bless us, and all the ends of the earth shall fear Him.

Psalm 67:5-7

Praise remains the catalyst for massive increase. It is like the fertilizer you put in the soil that makes seeds to spring up. The prophecy over the body of Christ as touching this end time of the manifestations of the sons of God will be quickened and expedited by quality and generous praise. By the avenue of ceaseless acknowledgment of God's goodness, the glory will fill the earth as the waters cover the sea.

Praise Him!

You must be ready to praise God now! In this season, you may have to turn your “prayer points” to “praise points.” Turn your night vigil of unending petition and requests to a night of wonders through praise. Instead of “prayer warfare”, have a praise party. Praise God like you have lost your mind. Praise Him like nothing else matters.

I stand as God’s agent of change and as a minister of the Most High. I declare, as you praise this season, I command your “massive” to manifest. As you act like Paul and Silas, the chains of hell will be shattered. All doors will be swung open, and you come out free and delivered, ready to walk in your increase. I see God granting you supernatural speed beyond human imagination. It will be marvellous to behold. Wow, what massive testimonies, brought about by massive praise!

Massive Actions

- Don't wait for your massive testimony to praise God. Create the testimony by praise.
- When the odds are against you, do all you know how to do in the Word through praise. Start and end the whole process of faith with praise.
- Make praise a lifestyle. Cultivate the habit of thanking God in every situation.

The Plan of Salvation

Ever since the fall of man, sin and death became the nature of every man. Hence, the need arose for man to be regenerated from the inside in order to reconnect with God.

Jesus offered His life to pay the price of sin for man. He sacrificed His life to bring mankind back to His lost glory. Jesus has done His part by offering Himself as the sacrifice for your sin through His crucifixion.

Now you need to do your part by acknowledging what He did for you in His death and resurrection. Simply put, you need to be born again.

I encourage you to pray the following prayer in order to receive your salvation ...*Heavenly Father; I come to You in the Name of Jesus. Your Word says, "Whosoever shall call on the name of the Lord shall be saved" (Acts 2:21). I pray and ask Jesus to come into my heart and be Lord over my life according to Romans 10:9-10. "If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." I do that now. I confess that Jesus is Lord, and I believe in my heart that God raised Him from the dead.*

POSITIONING for MASSIVE MANIFESTATIONS

What a generation we are! What a time to live in! Without mincing words, what a glorious future ahead until the coming of our Lord Jesus! I believe that is what the Lord is conveying to us with this prophetic message of "Massive."

Whatever has happened in terms of glory from the Garden of Eden till now in the lives of the saints of old must become child's play compared to what is happening in our days. It's time for the prophecies of the glorious last days. It's time for the mountains of the house of God to be exalted above all other mountains.

It's time, like never before, for old men to have dreams, and young men to receive visions. It's time for the glory of the latter house to surpass the former. In a nutshell, it's time for massive! 'Positioning for Massive Manifestations' is a prophetic book with clear instructions on how to walk in the manifestations of God's glory in these last days.
